TRIBUTE TO CHIEF DARWIN HIBBS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 11, 2003

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize the service of Chief Darwin Hibbs of Salida, Colorado before this body of Congress and this nation. After thirty-seven years working for the people of Salida, Chief Hibbs can be confident that

his community is truly grateful for his years of dedicated service.

Darwin, who grew up in Salida, started working for the Police Force when he was only 25 years old. He started as a parking monitor, but through his hard work and dedication he moved through the ranks to become Salida's longest serving Police Chief. Under his guidance, the Police Force has nearly tripled in size from its original five officers. Chief Hibbs and his force have greatly improved the protection that the people of Salida receive. While acting as Police Chief, Darwin has created a strong and capable force that has been intricately involved in the capture of Colorado's largest cocaine ring, and various other high profile cases in the state. It is with great pride that I have the ability to honor Chief Hibbs today.

As a law enforcement officer, I am well aware of the dangers and hazards our peace officers face today. These individuals work long hours, weekends, and holidays to guarantee their fellow citizens' rights and protections. They work tirelessly, with great sacrifice to their personal and family lives, to ensure our freedoms remain strong in our homes and communities. Their service and dedication deserve the recognition and thanks of this body of Congress and our nation, and that is why I bring the name of officers like Police Chief Hibbs to light today.

Mr. Speaker, it is with great honor that I rise before this distinguished body of Congress and this nation to pay tribute to the extraordinary service of Chief Darwin Hibbs. His strong leadership and dedication have improved the quality of policing for the people of Salida and the residents of the entire State of Colorado.

HONORING MAYOR DAVID W. SMITH FOR HIS 25 YEARS OF OUTSTANDING SERVICE TO THE CITY OF NEWARK, CA

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 11, 2003

Mr. STARK. Mr. Speaker, I rise today to honor Mayor David W. Smith for his years of dedicated service to the city of Newark, California. On March 13, 2003, Mayor Smith's colleagues will celebrate his 25 years of service at a reception in Newark.

Mayor Smith was elected to the Newark City Council in 1976, and two years later was elected mayor. He is currently serving his 12th consecutive term, making him the most senior mayor currently serving in California and the 7th most senior mayor in the country.

Mayor Smith's genuine love for the city of Newark shows in the intelligent, common-sense approach he brings to decision making, and colleagues point to his terrific sense of humor as one of his great attributes. Under Mayor Smith's leadership, Newark has evolved into an efficient and responsive government.

When he first came into office in 1978, Newark generated little tax revenue outside of property taxes. Throughout his tenure, Mayor Smith has led Newark's resurgence by working to attract top companies and building state-of-the-art educational and recreational facilities.

Under Mayor Smith's leadership, the NewPark Mall Regional Shopping Center and the Newark Hilton Hotel opened for business in the 1980s. In the last decade, he has worked to accelerate development of the Newark Auto Center, which now houses 13 auto dealerships. He was also instrumental in attracting a large Sun Microsystems complex to the city.

Recently, Mayor Smith provided leadership in planning a new community college and in developing and constructing the George M. Silliman Complex, a world-class recreation center that will include a large indoor aquatic park.

While leading Newark's growth, Mayor Smith has also maintained his position as Vice-President of the Oatey Company's Retail Division. He serves on the U.S. Conference of Mayors, the Alameda County Conference of Mayors, and the Alameda County Transportation Authority, and on many local and national committees and boards. His many awards and honors include a Lifetime Membership in the U.S. Jaycees, and a listing in *Who's Who in the West*.

I am honored to join the colleagues of Newark Mayor David W. Smith in commending his exemplary leadership, which has enabled Newark to grow into a wonderful place to live and a successful commercial leader.

IN SUPPORT OF TITLE IX

HON. LOUISE McINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 11, 2003

Ms. SLAUGHTER. Mr. Speaker, I rise today to announce the introduction of a resolution in support of Title IX.

In 1972, about 30,000 women played college sports. Today, that number has increased by more than 500 percent.

In 1972, about 200,000 girls participated in high school athletics. Today, that number has increased by more than 800 percent.

Mr. Speaker, it is no coincidence that women and girls have more opportunity today than they did 30 years ago. It is not because they have more interest than they used to, and it is not because they have more ability than they used to. These increased opportunities are attributable to one law: Title IX.

Title IX of the Education Amendments of 1972 is the Federal law that prohibits sex discrimination in education. It states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." In essence, Title IX requires schools and colleges receiving Federal funds to give women and girls equal athletic opportunities, including athletic scholarships, equipment, coaching, and facilities, among other benefits.

Unfortunately, Title IX has come under assault. Those who favor changing Title IX argue mistakenly that it has led to the disappearance of athletic opportunities for male athletes. While both sides of the debate over Title IX athletics policies agree that they should allow for gender parity and overall fairness in sports,
